WELCOME MESSAGE FROM THE ORGANISING CHAIRPERSONS

Dear friends and colleagues,

On behalf of the Organising Committee, we would like to invite you to attend the Asia Pacific Neurocritical Care Conference (APNCC) 2024 on 28-30 June at the Borneo Convention Centre, Kuching, Sarawak, Malaysia which is jointly organised by the Malaysian Society of Neuroanaesthesiology and Neurocritical Care (MSNACC) and Persatuan Kakitangan Anestesiologi Hospital Umum Sarawak (PEKA-HUS) or the Association of Staffs in Anaesthesiology of Sarawak General Hospital.

Following the successful organisation of inaugural virtual Neurocritical Care Conference (NCC) 2022, 1-3 July which has attracted more than 3100 attendees from over 62 countries, the Organising Committee has decided to rebrand the NCC to APNCC in 2024. APNCC remains the only meeting in Malaysia and possibly in this region that is fully dedicated to adult and paediatric neurocritical care.

The Organising Committee of APNCC 2024 is collaborating with eminent international societies i.e. Neurocritical Care Society, Society for Neuroscience in Anesthesiology and Critical Care, and Pediatric Acute and Critical Care Medicine Asian Network in this project. Through sharing of knowledge and skills among the local and global multi-disciplinary team members, the care of both adult and paediatric patients with life-threatening neurological or neurosurgical illnesses may be further advanced to drive the best possible patient outcomes.

I wish you an enjoyable and fruitful conference. Don't forget to explore the sights, sounds and tastes of Kuching too, as Kuching has so much to offer to its guests.

Thank you!

Dr Peter Tan
Organising Chair

*President, Malaysian Society of
Neuroanaesthesiology & Neurocritical Care*

*Consultant Neuroanaesthesiologist
Sarawak General Hospital, Malaysia*

Dr Chor Yek Kee
Organising Co-chair

*National Head of Service in Paediatric
Intensive Care*

*Senior Consultant Paediatric Intensivist
Sarawak General Hospital, Malaysia*

WELCOME MESSAGE FROM THE SCIENTIFIC CHAIR

On behalf of the scientific committee, we are thrilled to invite you all to the Asia Pacific Neurocritical Care Conference which will take place from 28 – 30 June 2024 in Kuching, Sarawak, Malaysia.

Sarawak, a Malaysian state on Borneo, stretches along the island's northwest coast, including many beaches on the South China Sea. It's known for the rugged, dense rainforest of its interior, much of it protected parkland. The capital, Kuching, is a bustling city set on the Sarawak River. Its 19th-century landmarks include the Astana, former palace of the White Rajahs, and Fort Margherita, built to thwart pirates.

In this conference, we plan to showcase Asia Pacific Neurocritical Care Conference at its best with quality education, engaging experience and networking opportunities. This while leveraging the capabilities of the StartUp Borneo.

We look forward to welcoming you in the home country, Kuching, Sarawak, Malaysia.

Yours sincerely,

Associate Professor Dr Lee Jan Hau

*Deputy Chairperson, Pediatric Acute & Critical Care Medicine
Asian Network*

*Senior Consultant Paediatric Intensivist
KK Women's and Children's Hospital, Singapore*

ORGANISING SOCIETIES

WORKSHOPS

Workshop 1: Emergency Neurological Life Support (ENLS)

Details

Date: 28 June 2024, Friday
Time: 0800 – 1700 (GMT+8)
Venue: Meeting Room 2, Borneo Convention Centre

Synopsis

Emergency Neurological Life Support (ENLS) developed by Neurocritical Care Society consists of 14 topics covering a variety of neurologic emergencies. Each module teaches a collaborative, multi-disciplinary approach and provides a consistent set of protocols, practical checklists, decision points, and suggested communication to use during early critical patient management.

Learning Objectives

After completing each topic, the learner will be able to:

1. Recognize the signs and symptoms of the neurological emergency
 2. Perform a focused neurological examination and calculate the Glasgow Coma Scale (GCS) score
 3. Rapidly implement the recommended management protocol
 4. Effectively communicate pertinent medical information to the accepting health care provider
-

Programme

1. Approach to the Comatose Patient
2. Intracranial Hypertension and Herniation
3. Airway, Ventilation and Sedation
4. Resuscitation Following Cardiac Arrest
5. Acute Non-Traumatic Weakness
6. Acute Ischaemic Stroke
7. Intracerebral Haemorrhage
8. Subarachnoid Haemorrhage
9. Traumatic Brain Injury
10. Traumatic Spinal Cord Injury
11. Spinal Cord Compression
12. Status Epilepticus
13. Meningitis and Encephalitis
14. Pharmacotherapy

WORKSHOPS

Faculty Prof. Jose Suarez (United States)
Prof. Sarah Livesay (United States)
Dr. Wong Yu Lin (Singapore)

Target Participant No. 25

Price Per Participant

Specialist Doctor
Local: MYR 400.00
International: USD 275.00

Non-Specialist Doctor
Local: MYR 300.00
International: USD 175.00

Allied Health
Local: MYR 200.00
International: USD 100.00

WORKSHOPS

Workshop 2: Neuromonitoring – External Ventricular Drain/ Intracranial Pressure Monitoring; Electroencephalography

Details

Date: 28 June 2024, Friday
Time: 0800 – 1700 (GMT+8)
Venue: Meeting Room 3, Borneo Convention Centre

Synopsis

This workshop focuses on EVD/ ICP monitoring and EEG for non-neurologists which are two commonly encountered neuromonitoring during perioperative period.

Learning Objectives

1. To understand the basic principles of EVD/ ICP, clinical indications, complications and troubleshooting of these monitoring.
2. To introduce EEG briefly and its applications in critical care settings, to understand regarding paroxysmal events and when to consider epileptic seizures.

Target Audience

Multidisciplinary doctors and allied health professionals working in the areas of anaesthesiology, adult and paediatric intensive care, internal medicine, paediatrics, adult and paediatric neurology and neurosurgery

Programme

Time	Agenda & Speaker
0800 – 0830	Registration
0830 – 1000	All About EVD and ICP Monitoring Dr. Abhijit Lele (United States)
1000 – 1030	Coffee break
1030 – 1130	Case Discussions: EVD and ICP Monitoring (Including PRx) Dr. Abhijit Lele (United States)
1130 – 1200	Non-Clinical Seizures in ICU Dr. Chidananda Swamy (Brunei)
1200 – 1400	Lunch and Friday Prayer
1400 – 1530	Basics of Critical Care EEG for Non-Neurologists Dr. Benjamin Ng (Malaysia)
1530 – 1600	Coffee Break
1600 – 1700	Interactive Session: Paroxysmal Events; Mimics and Chameleon for Epileptic Seizures Dr. Benjamin Ng (Malaysia)
1700	Adjourn

WORKSHOPS

Moderator Dr. Chidananda Swamy Muthugaduru Narappa (Brunei)

Faculty Dr. Abhijit Lele (United States)
Dr. Benjamin Ng (Malaysia)

Target Participant No. 25

Price Per Participant Local: MYR 250.00
International: USD 150.00

WORKSHOPS

Workshop 3: POCUS in Neurocritical Care

Details

Date: 28 June 2024, Friday
Time: 0800 – 1700 (GMT+8)
Venue: Meeting Room 4, Borneo Convention Centre

Synopsis

This workshop focuses in sharing the basic skill on point of care ultrasound in neurocritical unit.

Learning Objectives

To understand the basic principles of ultrasound physic, point of care ultrasound in brain, eye, heart and shock.

Target Audience

Multidisciplinary doctors and allied health professionals working in the areas of anaesthesiology, adult and paediatric intensive care, internal medicine, paediatrics, adult and paediatric neurology and neurosurgery.

Programme	Time	Agenda/Topic	Speaker
	0800 – 0820	Registration	
	0820 – 0840	The Physic of Ultrasound and Knobology	Chor Yek Kee
	0840 – 0900	POCUS of Brain	Anis Siham
	0900 – 0920	Transcranial Doppler	Olive Lee
	0920 – 0940	Ultrasound Orbit	Chong Jia Yueh
	0940 – 1000	Tea Break	
	1030 – 1230	Hands On Session (120 mins) Divide into 6 groups: • First Group – A, B and C • Second Group – 1, 2 and 3 Hands on session will include three stations on Knobology, POCUS of Brain, Transcranial Doppler with Orbit USG.	
	1230 – 1400	Lunch and Friday Prayer Break	
	1400 – 1420	Basic ECHO in Neurocritical Setting	Pon Kah Min
	1420 – 1440	POCUS in Shock	Gan Chin Seng
	1440 – 1520	Hands On Session 1 (80 mins) Divide into 6 groups: • First Group – A, B and C • Second Group – 1, 2 and 3 Hands on session will include 3 stations on Basic ECHO and POCUS in Shock.	
	1520 – 1550	Tea Break	

Programme	Time	Agenda/Topic
	1550 - 1630	Hands On Session 2 (80 mins) Divide into 6 groups: <ul style="list-style-type: none">• First Group - A, B and C• Second Group - 1, 2 and 3 Hands on session will include 3 stations on basic ECHO and POCUS in Shock.
	1630 - 1640	Questions and Feedback

REGISTRATION

REGISTRATION FEES INCLUDE:

- Attendance to all sessions from 29 to 30 June 2024
- Light refreshments during breaks as indicated in the programme

GUIDE TO REGISTRATION

Download

Kindly download the PDF step by step guide on how to register for APNCC 2024 and troubleshoot tips should you face any difficulties.

PAYMENT METHODS

1. By Credit Card (Visa or MasterCard)

- MP Singapore Pte Ltd acts on behalf of the Asia Pacific Neurocritical Care Conference 2024 to handle fee collection.
- All credit card charges will be made by merchant name: MP Singapore Pte Ltd.

2. By Telegraphic Transfer (For International)

- Additional USD 25 bank charges is required.
- Please ensure that the name of the participant is stated on the transaction draft.
- Bank charges are the responsibility of the payer and should be paid in addition to the registration fees.
- Please make bank drafts payable to:

Beneficiary Bank Name: DBS Bank Ltd, Singapore
Beneficiary Bank Address: 12 Marina Boulevard, DBS Asia Central,
Marina Bay Financial Centre Tower 3, Singapore 018982
Beneficiary Account Name: MP Singapore Pte Ltd
Beneficiary Account Number: 033-016215-4
Beneficiary SWIFT BIC Code: DBSSSGSG

3. By Online Banking (Private Hospitals in Malaysia)

- All payments are to be issued in favour of "Persatuan Kakitangan Anestesiologi Hospital Umum Sarawak"
Account No.: 80-0930110-6
Name of Bank: CIMB Bank Berhad
Address of Bank: Wisma Satok, Jalan Satok, Kampung Bandarshah, 93400 Kuching, Sarawak
Swift Code: CIBBMYKLXXX
Ref 1: Reg fee APNCC
Ref 2: Name

Registration will only be valid upon receipt of the full payment by the registration department according to the deadline indicated.

An email confirming registration will only be sent after receipt of the required fees. A copy of the bank transfer (or other proof of payment) will be required in the event that registration fees were not credited to the forum account on time.

REGISTRATION

SUBSTITUTION POLICY

- Registered delegates who are unable to attend may send an alternate i.e. one-for-one substitution at no extra charge. Substitution request must be submitted in writing to the Symposium Registration Secretariat before 31 May 2023.
- Substitution requests received after the deadline will be subjected to a processing fee of SGD 50.

REGISTRATION CANCELLATION POLICY

- All requests for cancellation must be submitted, no later than 30 April 2023 in order to receive a full refund. However, an administrative fee of SGD 50 will be imposed.
- Cancellation requests received after the deadline will not be entertained, and is chargeable, including No-Shows. No refund of any type will be provided for paid registration.
- Any fees charged, 5% surcharge applicable to online payment by credit cards, will not be refunded.
- Bank transfer admission fee (SGD 30) will also not be refunded – applicable to Bank Transfer payments.
- All approved refunds will be made within two months after the Symposium is held.

ENQUIRIES

APNCC 2024 Registration Department

20 Kallang Avenue, Pico Creative Centre, 2nd Floor, Singapore 339411

ABSTRACT THEMES

- Acute Inflammatory Central Nervous System Conditions and Neuromuscular Disorders
- Artificial Intelligence in Neurocritical Care
- Brain-Heart and Brain-Lungs Crosstalk
- Cardiac Arrest and Brain Death
- Central Nervous System Infections
- Epilepsy
- Multimodal Neuromonitoring
- Neuro-COVID
- Neurocritical Care Nursing
- Neurocritical Care Pharmacotherapy
- Neurorehabilitation
- Outcomes and Research in Neurocritical Care
- Paediatric Neurocritical Care and Postoperative Care of Paediatric Neurosurgical Patients
- Stroke and Aneurysmal Subarachnoid Haemorrhage
- Traumatic Brain and Spinal Injury
- Point-Of-Care Ultrasound in Neurocritical Care
- Perioperative Brain Health

ABSTRACT SUBMISSION GUIDELINES

[Submit Here](#)

Please read the full submission guidelines carefully before submitting.

- Abstracts may be submitted for poster or oral presentation only.
- Abstracts must be submitted online via the conference website. Abstracts submitted by fax, email, or post will NOT be accepted.
- Abstracts must be submitted at the latest by 3 March 2024. The online submission system will close at 2359 hours (GMT+8) on this day.
- Please do not submit multiple copies of the same abstract.
- Abstract submitted previously to other conferences will not be accepted.

ABSTRACT SUBMISSION GUIDELINES

CONFIRMATION OF RECEIPT AND NOTIFICATION OF DECISION

- After submitting your abstract, you will receive an email confirmation that your abstract has been received.
- Please contact the Secretariat at abstract@neuro-criticalcare.org if you have submitted an abstract and did not receive an email acknowledgement.
- Notifications regarding the status of your abstract acceptance will be sent out by 7 April 2024.

PRESENTATION AT THE CONGRESS

- Instructions for preparation of poster presentations will be sent together with acceptance notifications.
- The Organising Committee will endeavour to schedule abstracts according to authors' preferences but reserves the right to decide on the final form of presentation.
- For each abstract, at least one author is expected to attend the Conference. Presenting authors must register for the Conference and pay the registration fee.
- Abstract presenters need to register by the registration deadline for inclusion in the Conference programme and for presentation scheduling.

ABSTRACT SUBMISSION GUIDELINES

PREPARING YOUR ABSTRACT FOR SUBMISSION

- The abstract should be as informative as possible and include the following details:
- Objectives: background and specific aims of the study
- Methods: description of methods used
- Results: summary of results obtained
- Conclusions: conclusions reached
- Abstracts must meet the following specifications:
- Abstract title - Limited to 25 words
- Abstract text - Limited to 300 words
- Abstract topic - Abstracts topic must be chosen from a specific theme listed under the [abstract themes page](#)
- Please note that graphs, images or tables should not be included in your abstract.
- Use only standard abbreviations. Special or unusual abbreviations are not recommended. If otherwise necessary, the latter should be placed in parenthesis after the first appearance of the full word.
- All abstracts must be submitted and presented in clear English with accurate grammar and spelling of a quality suitable for publication. If you need editorial help, please arrange for the review of your abstract by a colleague who is a native English speaker, by a university scientific publications office (or other similar facility) or by a copy editor, prior to submission.
- The submission form at the link at the top of this page allows you to store your abstract in draft form to facilitate edits. Please note that abstracts must be SUBMITTED before the deadline to be sent for review for inclusion in the Main Programme.

ABSTRACT SUBMISSION GUIDELINES

DECLARATION OF CONSENT TO PUBLICATION AND ASSIGNATION OF COPYRIGHT

Please take note of the following terms:

- Submitted abstract cannot be modified or corrected after final submission. Accepted abstracts will be published exactly as submitted. Please ensure all information is correct at the point of submission.
- Submission of the abstract constitutes you and your co-authors' consent to publication (e.g. Conference website, programmes, other promotions, etc.)
- The Abstract Submitter warrants and represents that he/she is the owner or has the rights of all the information and content ("Content") provided to APNCC 2024 and Kenes MP Asia (Hereafter: "The Organisers"). The publication of the abstract does not infringe any third-party rights including, but not limited to, intellectual property rights.
- The Abstract Submitter grants the Organisers a royalty-free, perpetual, irrevocable non-exclusive license to use, reproduce, publish, translate, distribute, and display the Content.
- The Organisers reserve the right to remove any publication of an abstract which does not comply with the above.
- The Abstract Submitter is responsible for informing the other co-authors regarding the abstract status.

CONFERENCE VENUE

The Borneo Convention Centre Kuching (BCCK) is the first dedicated convention and exhibition center in Borneo, situated 8 km from Kuching's city center. It aims to host local and international events, exhibitions, and conventions in Sarawak. Strategically located between Kuching North and Kuching South, BCCK's award-winning architecture draws inspiration from Sarawak's lush rainforest, featuring the native 'ririk' leaf design. The center prioritizes accessibility with elevators, ramps, and facilities for people with mobility challenges. Equipped with a fully stocked first aid room and trained personnel, BCCK ensures safety and convenience for all attendees.

Visit www.bcck.com.my for more information.

Address

**The Isthmus, Sejingkat,
93050 Kuching,
Sarawak, Malaysia**
